Subject: Regarding Income Tax Return.

Dear Sir / Madam,

I am Md. Azizul Huque. I applied for a credit card in your organization. Now You are asking for a receipt copy of Income Tax return but I don't have any received slip as I have not submitted Income Tax return before. In future when I will submit Income Tax return slip then will provide you return slip. So, please issue my credit card.

Therefore, kindly grant me this request and do the needful at your earliest convenience.

Best Regards
